How About This?

LEADER'S DIAMOND, 1951 Omaha Shorthorn Sale grand champion bull, purchased for \$1,175 by John F. Shuman from McCone Bros., Manilla, Iowa. This bull weighed 1830 lbs. at two years of age when he was purchased and has proved an outstanding sire. He sired the champion pen of five bulls at the 1953 National Western Stock Show at Denver.

He was used in both the Shuman commercial and purebred herd and at the Shuman sale at the Ranch last October 5th; 26 steer calves sired by him averaged \$160 a head . . . a record that wasn't surpassed by any breed this fall. 27 commercial heifer calves by him averaged \$144 per head in the Shuman sale last fall.

We have always said Omaha offers the best buying opportunity of any sale in America. The above is just one concrete example of what we have been talking about.

EDWIN'S TYPE — is sired by Edwin Royal Leader, the bull that has sired many top cattle at National and International shows. Among his most recent winnings includes the second prize Get of Sire at the 1953 International Livestock show. This background of breeding, along with good individual characteristics, should make this bull one of the top herd bulls to be sold this spring.

POWGAVIE FORTRESS — is sired by Imp. Powgavie Flying Fortress, the bull that made an outstanding record in the Metz Bros. herd. His dam is one of our top red Mercury Leader Clara cows. We like this dark even roan bull very much. He is outstanding herd bull material.

Champion Group of Three Steers Over all Breeds.... At The 1953 Chicago International

This trio of Shorthorn steers, exhibited by Ohio State University, won over all breeds at the 1953 International Live Stock Show. The group included the champion junior yearling over all breeds, Ohio's Leader 3rd. Two of the group were by Leader's Royal Sultan, and one was by Edellyn Royal Leader 83rd, sire of last year's International Live Stock Show grand champion over all breeds, Ohio's Leader 2nd.

with Shorthorns

That's the simple mathematics of SHORTHORN success and the reason that commercial Shorthorn breeders are the biggest money-makers in the beef cattle business today.

Get BIGGER calves, BETTER calves, HEALTHIER calves. . . the kind that carry the MOST beef and the BEST beef out of any feed lot. THE PROOF IS IN THE PROFIT.

SELLING 57 BULLS and 8 FEMALES

february 17, 1954

spring show and sale

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
